# WHAT TEACHERS ARE SAYING:

Thank you for both a black and white as well as a color set. I also appreciate that each was broken into 4 for consistent learning. I also like all the pieces you provided - like 2 different sorting mats as well as picture cards without words. Thank you! – Tammy P.

These are a fantastic resource to introduce sequences and they do range in difficulty. One of my favorite TPT finds. - Sensory Preschool

Great for my speech therapy groups! – Rachel S.

I loved using these with my weekly nursery rhymes. My paraprofessional was able to use these in her literacy groups! – Amber P.

So excited to use this resource. Even more excited to not have to create it :) I love the color cards that kiddos can do in whole or small group before competing their page independently. I'm also grateful for multiple nursery rhymes to use. - Becky Stucki

# OTHER GREAT RESOURCES:

Can be used as posters  
or coloring pages.

Explore color, math,
