Some of Fun With Mama's files are .pdf files. You will need to have the free Adobe Reader to open the file.
Some files are compressed zip files. This makes it easier for you to download multiple files.
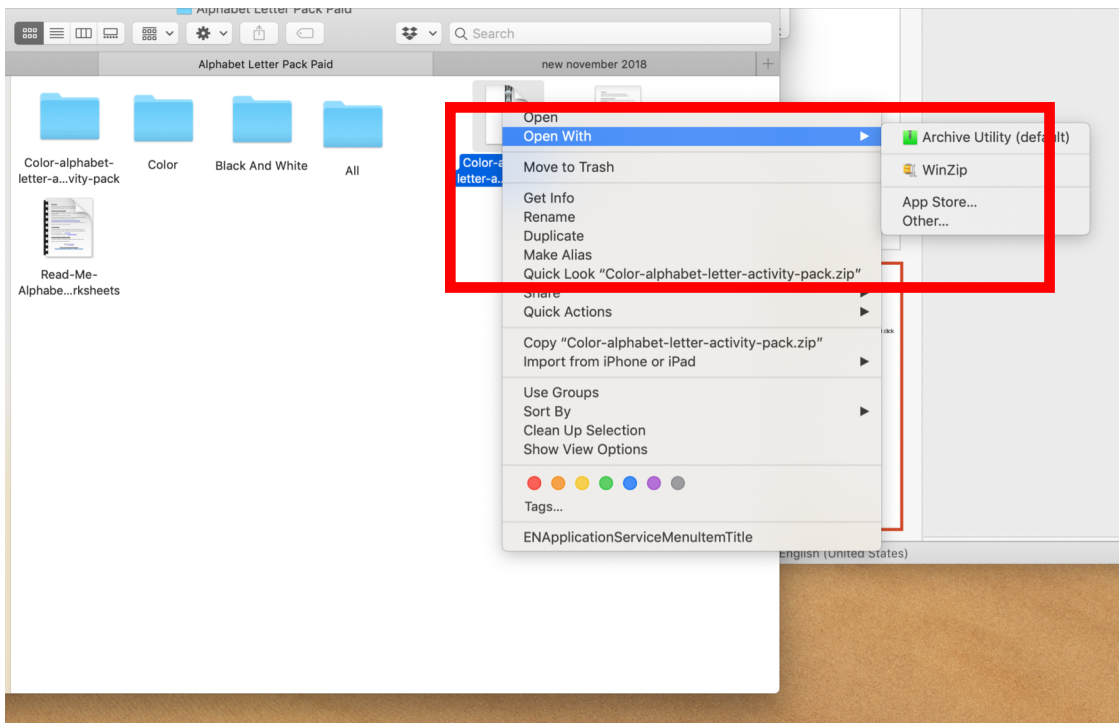

How to unzip a file:

On a Mac:
Right click on the file (normally found in your downloads folder)
Right Click > Open With > Archive Utility.
It will then unzip the file.

On a Windows:
Right Click > Extract All and then follow the instructions.

I hope this helps you. If you have any other questions Feel free to email me at funwithmama@gmail.com
