# SAMPLE PAGES:

# WHAT TEACHERS ARE SAYING:

Great calendars, love the updates and love having the tracing for the numbers. My kids love setting things up at the beginning of the month.

— Cardinal Collaborative Therapy

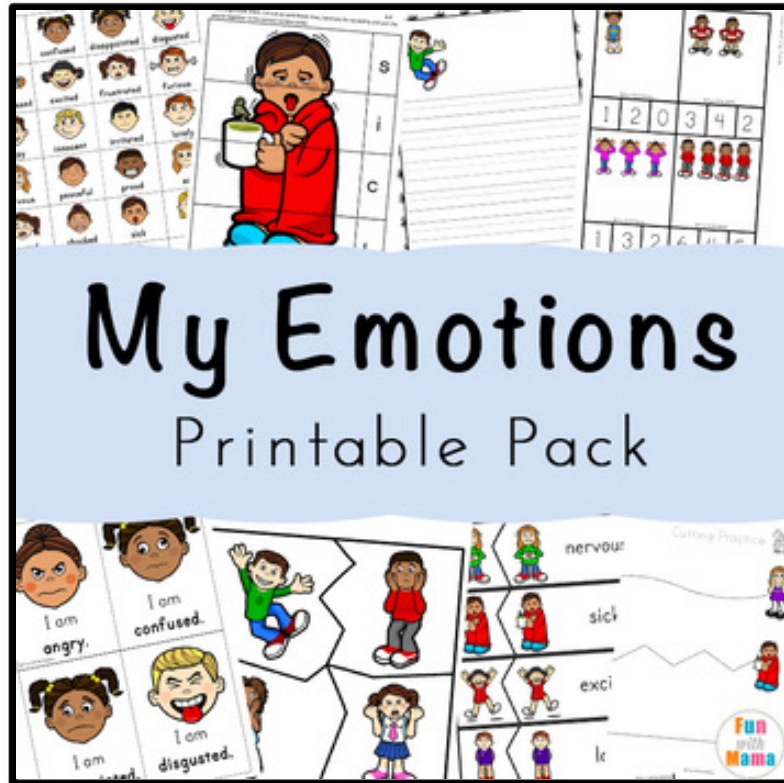

This is such a cute calendar – the best I've used so far! Adorable clip art and I love the extra little holidays that are in there. My kiddos love them. - Rebekah R.

I love the calendar. I used the black & white version with the basic holidays last year and this year I used no holidays. - Katrina Rossi

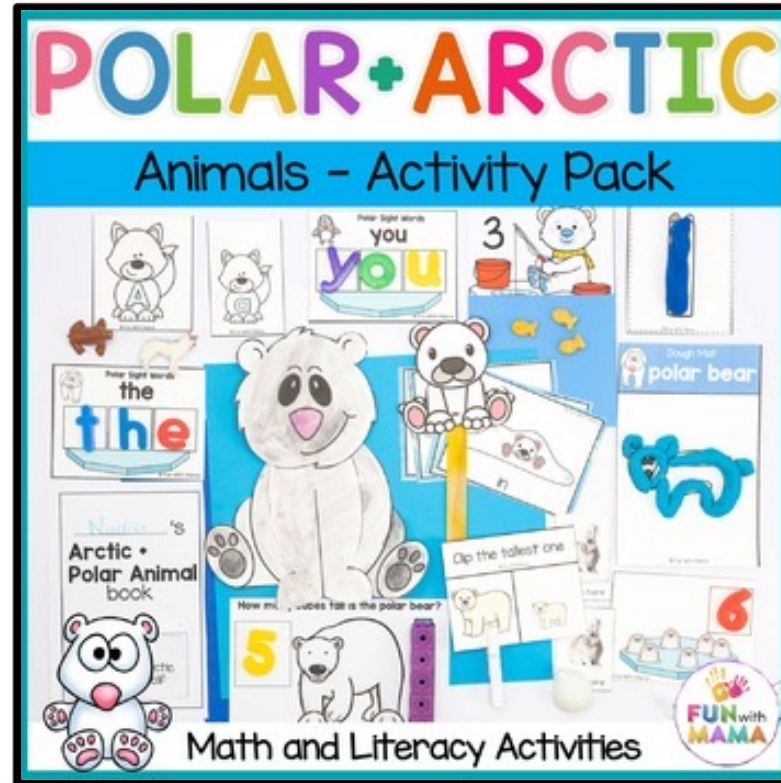

My students really pay attention with these Kid-Friendly Calendars. Thank You! - Olivia H.

# OTHER GREAT RESOURCES:

Learn about emotions.

Explore arctic animals while working on math, literacy, and fine motor skills.

Learn more about each alphabet letter.
