This worksheet features a large blue number 5. To its right is a die showing five dots and a hand icon. Below the number is a blank line with the number 5 written on it. Further down are five orange rectangular objects for counting. At the bottom, there is a dotted number 5 for tracing and three solid red numbers 5. A cartoon girl holding a camera is on the left, and a cartoon boy holding a sign with the number 5 is on the right. The background shows various school supplies like scissors, markers, and a glue stick.

This worksheet is framed with a scalloped orange border. It contains three sections for building numbers with popsicle sticks. The first section shows a number 5 made of sticks, with a 'Trace' label and a '5' written on a line. The second section shows a number 7 made of sticks, with a 'Trace' label and a '7' written on a line. The third section shows a number 15 made of sticks, with a 'Trace' label and a '15' written on a line. A cartoon girl holding numbers 1, 2, and 5 is on the right. The background includes a purple chair, a yellow pencil, and a green pencil.
