BUTTERFLY

LIFE CYCLE+ ACTIVITIES

Here's what happy teachers are saying!

"My students loved this resource for our winter animal research." – Debbie K.

"My students loved using this resource as they learned all about Penguins and wrote informational text about Penguins." – Paige H.

"A variety of activities provided: life cycle of a penguin (flow map and circular), label the penguin, details about penguins. Good supplement to my other resources on penguins." – Cheryl W.
