

AIRPLANE ACTIVITIES

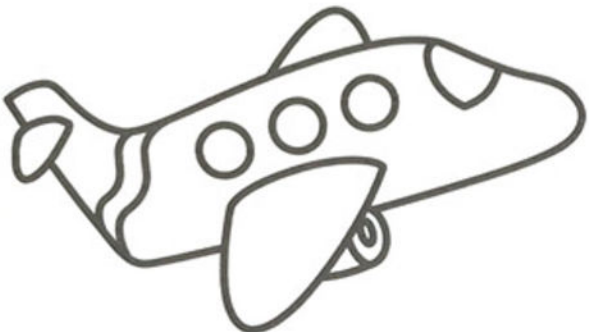

Work on fine motor skills, math and literacy, vocabulary words, and more.

Activity in color and black and white.

The collage includes several educational worksheets and activity cards:

- Uppercase Letter Practice:** A grid with letters A-Z and a small airplane illustration.
- 3 Part Cards - Whole:** Cards for 'air traffic controller', 'boarding pass', and 'carry on bag security'.
- Do-A-Dot:** A dot-marker activity with the words 'luggage carousel', 'suitcase', 'runway', and 'control tower'.
- Dice Game:** A grid with a dice and a small airplane.
- Count the People:** A grid with people icons and a number line from 1 to 22.
- At the Airport (Book Template):** A template for a book with a cover and several pages, each with a different airport scene and a caption.
- 4 Piece Puzzle:** A puzzle featuring an air traffic controller.
- 2 Piece Puzzles:** Puzzles for 'boarding pass', 'passport', 'suitcase', and 'security gate'.
- Tracing:** A wavy line tracing activity.
- Coloring:** A large airplane illustration for coloring.
- Math:** A number line from 2 to 22.
- Sorting:** A grid with various airport items for sorting.
- Identification:** Cards with images and captions: 'This is an air traffic controller.', 'This is a boarding pass.', 'This is the check in agent.', 'This is the check in area of a airport.', 'This is used for carry on bag security.', 'This is the control tower.'
